

## Saint Louis Pair Of Soliflore

320 EUR

Period : 20th century

Condition : Bon état

Material : Crystal

### Description

Saint Louis pair of soliflore Height 25 cm  
Diameter of the body approximately 9 cm This rare model was probably created for the 225th anniversary of the crystal factory of Saint Louis as noted under one of the two soliflore. Very nice pair of soliflore with a blue foot, perfect condition, still bearing their original labels. A soliflore from the beak slightly wider than the other by 5mm (the one noted 225th anniversary)
