Description

Exceptional large crystal and bronze chandelier with 12 sconces at the beginning of the 20th century.

Large 1m40 high chandelier has 2 floors of 6 sconces each, carrying crystals in the shape of faceted drops with daisies, 4 for each low branch, 3 for each high branch and 3 cages with 6 crystals in between.
That is 60 crystals, to which must be added the 2 smaller crystals of the cups X 12=24 additional drops.
Note the crystal finish bell at the bottom with its salmon-colored clapper.

Electrification redone, E14 sockets, twisted flame LED bulbs provided.
