480 EUR

Signature : Art Religieux

Period : 16th century

Condition : Etat d'usage

Material : Brass

Diameter : 43cm

Height : 4,5cm

### Description

Large dish: (43cm!) brass with hemmed edge, tool embossed, it presents a central umbilicus with rotating rosette and foliage in high relief, on a basin engraved of a prayer in a crown, in beautiful, fairly legible Gothic letters on matte background. Wing is decorated with 2 punches: leaf and Blessing bucket motifs. On back, never cleaned, one suspension ring was soldered during 19th century. All the documentation gives the origin of this dish to southern Germany, Nuremberg, 16th century, whose specialty it was. Good general condition, small hole for attachment, and a slightly marked edge in places. Diameter: 43cm x 4.5cm, weight: 1.2kg. Take a good look at our photos.....
