### Description

An emblematic poster of the Belle Époque, a work of art that perfectly embodies the spirit of the time: the "Mistinguett" poster by Georges Goursat, alias Gesmar. Created in 1900, this poster bears witness to the golden age of Parisian nightlife, when cabarets and theaters competed to attract the most demanding audiences.

Mistinguett was one of the biggest stars of the era, a singer and entertainer known for her beauty, charm and talent on stage. This poster, which depicts her in a very attractive way, is a tribute to her fame and success. The Art Deco style is still very popular, with its geometric shapes, stylized patterns and bright colors.

Gesmar's "Mistinguett" poster is a perfect example of this style, and will make an elegant and sophisticated addition to any art collection.
