Description

Antique signet ring whose mount forms a knot whose center is adorned with a ribbon agate cabochon. The start of the ring is decorated on both sides with 2x4 cylindrical motifs. Period: 20th century Main material: yellow gold, 750 thousandths 18 eagle's head hallmark. Proportions: Height: approximately 16.7 mm, width: approximately 13.8 mm, thickness: approximately 7.3 mm, width of the ring at the base: approximately 5 mm. Net weight: about 14.2g. Antique jewel - French work from the 1935s. Our opinion: this magnificent and massive Art Deco signet ring is very original with its agate and its magnificent decor in layers in light gray to brown tones. Sizing possible, contact us.
