

Antique Diamond Dome Ring

10 500 EUR

Period : 20th century

Condition : Très bon état

Material : Precious stone

Description

Ring from the Art Deco period whose setting forms a dome entirely set with small old-cut diamonds. In the center, in a beaded bezel setting, an antique brilliant-cut diamond illuminates the setting. Period: 20th century Main material: platinum Weight of the main diamond: approximately 1 carat. Total weight of the other diamonds: approximately 0.50 carat. Proportions: Height: approximately 13.7 mm, width: approximately 20 mm, thickness: approximately 6.5 mm, width of the ring at the base: approximately 2.7 mm. Net weight: about 7.2g. Authentic old piece of jewelry - French work from the 1930s. Our opinion: This Art Deco diamond ring is in its original condition, it must have been worn very little and carefully preserved. A timeless model. Sizing possible,
