Description

Very beautiful engraving by Carle Vernet representing the Arabian horse and its rider, with its frame and glass, small lack at the bottom of the engraving probably due to humidity over time. Sold in its own juice and in its condition! 39x37 cm with frame and 23x17 cm without. Very beautiful engraving of this great artist who will ask for this small restoration which will make it even more sympathetic! (or to leave in the state for the purists) not to be missed in any case! Stunning !
