Description

"Mirror 142x118 Cm Late 18th Century With Putti, Carved Wood Gilded With Gold Leaf" Old mirror high 142 width 118cm from the Late 18th century around 1780. It is in the Baroque style, certainly of Italian origin. Decor of 6 putti, quite imposing, (about 37cm) and interlacing of roses and foliage. Carved solid wood structure, which differs from the 19th century mirrors which are in stucco. gold leaf gilding with alternating matte/shiny gold. the ice is old, replaced in the 19th century. This mirror is a sculpted work of exceptional quality, a rare piece on the market. No restoration is expected very good condition free delivery throughout France by specialized art carrier.
