225 EUR

Signature : CHARLES PAILLET

Period : 19th century

Condition : Très bon état

Material : Bronze

Width : 10cm

Height : 13cm

Depth : 6cm

Description

I have a lovely memory of a child who wakes up at the sight of this singing bronze rooster by Charles Paillet.
I remember a fable where the same rooster triumphed ... with pride and bravery.....but my memory stops there...
Just to tell you that this bronze sculpture dates from the 19th century or even the beginning of the 20th century and that the animal looks great.
Bronze animal sculpture at a very low price.
