

Celestial Sphere By Charles Dien Mid XIXth

1 600 EUR

Signature : Charles Dien

Period : 19th century

Condition : Quelques manques

Material : Brass

Diameter : 33 cm

Height : 60 cm

Description

Celestial sphere by Charles Dien, dedicated to Alexis Bouvard (academic astronomer, director of the Paris Observatory). Mounted on black pear tree, brass table supported by a bronze arch.

Some scratches on the sphere and missing on the veneer of the foot. The patina of the sphere does not prevent readability. Contact me for shipping.
