Description

Watercolor painting from the end of the 19th century and the beginning of the 20th century, signed lower right Armand. Very pretty watercolor having kept all its original colors, evoking a Provençal landscape bathed in light and heat. Note the inscription at the bottom left, in Provence marked by the artist. Pleasant animation by a character sitting by the side of the road and a cart moving away towards the horizon. Limed wood frame from the 1930s in excellent condition. Dimensions 38 by 29 cm.
