

Important Louis XV Style Trumeau

1 600 EUR

Period : 19th century

Condition : Bon état

Material : Oak

Width : 170 cm

Height : 215 cm

Description

Spectacular oak overmantel in the Louis XV style, richly carved with shells, clasps, foliage and flowers. Hectic, thick and nervous molding. The central part allows the embedding of a mirror or a painting. Element of great decoration, very imposing. Dimensions (excluding fallout planned to frame the fireplace mantle): 215 X 170 cm.
