### Description

The post-war years saw unprecedented creativity in French design, as evidenced by these chairs.

Like most mid-century European designers, French designers were also convinced of the power of good design, Charlotte Perriand having declared that "the extension of the art of dwelling is the art of living".

Magnificent aubergine velvet armchair and design beech base.

It lacks a button on the backrest and a cat scratch on one side of the chair. (see photo)

The rest is in very good condition.

Very comfortable armchair.

Seat height 43 cm.
