Description

Ring forming a swirl of brilliant-cut diamonds which surround 3 prong-set diamonds on the top.

Main material: yellow gold, 750 thousandths, 18 carats and platinum, eagle and dog head hallmarks.

Total weight of the central diamond: approximately 0.40 carat.

Total weight of the other diamonds: approximately 0.60 carat.

Proportions: Height: approximately 10.8 mm, width: approximately 10.4 mm, thickness: approximately 4 mm, width of the ring at the base: approximately 1.7 mm.

Net weight: about 4.2g.

Our opinion: A modern diamond swirl ring, luminous and of very good quality.
