

Drawing Ink The Robin

350 EUR

Signature : A définir

Period : 20th century

Condition : Très bon état

Material : Other

Height : 35x30 environ

Description

Superb ink drawing representing a robin in all its beauty and elegance, a small migratory sparrow that we see every winter in our gardens. Here very beautiful representation with a mastered line of the artist draftsman who remains to be defined! Beautiful glass frame. Size approximately 35x30 cm. To control more precisely. In very good shape ! Do not miss ! Beautiful and very decorative!
