

Drawing Ink: The Sparrow

350 EUR

Signature : A définir

Period : 20th century

Condition : Très bon état

Material : Other

Height : 40x35 environ.

Description

Exceptional ink drawing representing a sparrow, here a strong resemblance to the common sparrow of our cities and countryside. Superbly drawn with a great mastery of the lines and the movement rendered by the artist who remains to be defined. Very good quality ink! In very good shape ! Framed and glazed, format approximately 40 x 35 cm. Very decorative! Do not miss ! Visually very nice!!
