Description

Pair of plant holders from the 1950s composed of a frame with musical decor, probably a note, this one holds a pot cover in gilded metal mesh.
Because the cachepot is made of openwork mesh, it is also possible to put a candle in the bottom in order to use it as an original and cozy wall light/candle holder.
Good condition, very little used.
Delivery possible by registered colissimo with insurance and delivered against signature for:
France 25EUR
Europe 45EUR
Rest of the world 60EUR
