Pair Of Bronze Mounted Chinese Porcelain Lamps

1 450 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

Diameter : 10

Height : 48

Description

Pretty pair of porcelain lamps, cornet vases mounted in gilded bronze. They are topped with a chintz lampshade lined and edged with garnet stripes. Note that one of the two lampshades has a slight garnet stain on the back. The body of the lamp, in porcelain, is richly decorated with flowers and foliage with two scenes of daily life in reserve on each of them. Height with lampshade 72 cm. Shade diameter 40 cm. Diameter of the bronze base 20cm.
