Description

Rare and important antique wardrobe in solid walnut wood made in 1750. Internally equipped with three shelves, it is possible to change the interior according to customer needs. The doors have geometric decoration. Very linear, perfect also to be placed in modern houses. Beautiful antique patina of the solid walnut wood. This spectacular wardrobe can be placed in any room of the house. Due to its small size it is also suitable for small rooms. Attention this wardrobe cannot be disassembled, check the measurements carefully for entry into your home. There are some signs of wear on the inner lining paper, it is possible to replace it. Excellent antique condition of the wood.
