Description

Curved Wood Armchair known as "Le Corbusier" in reference to the Famous French Architect and Designer. An iconic and avant-garde model in both its design and its manufacture, this armchair is part of the quest for a minimalism dear to Michael Thonet, its creator. Its lines, both elegant and refined, make it a classic in the history of French design. The prominent backrest and armrests are formed from a single curved cantilever frame, crafted from a single piece of wood. Composed of a sturdy cane seat, Model n°209 from Maison Thonet benefits from high quality workmanship. Authentic and timeless, this Armchair will undeniably add a sculptural touch to your layout. ***** Period: 1920 Perfect condition after restoration in our workshop. New patina and varnish finish.
