

Old Large Religious Statue Pieta Gothic Polychrome Carved Wood XV

2 499 EUR

Period : Before 16th century

Condition : Etat d'usage

Material : Painted wood

Height : 50

Description

Old large religious statue from the Gothic period in softwood, carved, stuccoed and polychrome from the north of France around 1450/1500, representing a pieta. Beautiful and moving devotional sculpture where the seated virgin holds the dead Christ on her knees. Remains of brown and ocher polychromy, some visible gaps, old wormholes treated, from a fine collection of religious objects currently on sale. Total dimensions 50cm x 28cm x 15cm
