Description

Regulate Mantelpiece Set on a Marble Base, consisting of a Pendulum surmounted by a Large Statue illustrating Neptune and two Vases depicting Fishermen surrounded by waves and seabirds. Signed Louis (1855-1919) and François (1857-1930) Moreau, the main work represents the God of the Seas carrying his trident standing on his Chariot, pulled by sea horses. The lower part has a Clock in working order provided with a Key, presenting a Dial painted with Floral motifs and the Chevassu "Lorient-Brest-Nantes" mark. A plaque is attached to the base where the following statement appears: "Neptune by L. & F. Moreau, Mlle d'Or". On each Vase, a Whaler seems to fight against the elements in order to carry out his mission. This Spelter Fireplace Set rests on a Gray-veined White Marble with a recess.
