The work has been restored by marouflage of the canvas and restoration with wax, the painting requires beautiful lighting to be sublimated, the fog appears as well as the depth of the canvas, several characters in traditional clothes animate the painting, in the foreground a fortress with its drawbridge .... the work has been abused .... it is stabilized but has some defects (photo 5 shows, lit from behind, the place of the restoration with wax) and s will light up with a golden frame...for any information 0778337598
