Description

A portrait in molten gilded bronze With re-engravings The gilding is very fresh In its original carved oak frame Some imperfections which with a good cabinetmaker may not appear... A glued corner and gaps in certain corners The plate is dated 12 1910...

Signed H. SCHWALLIER

Definitely an order from the end of the year I have not yet found any information on the artist but I do not despair... Of a substantial size...

Weight...5 approximately kilos
