### Description

Vintage ring whose frame is wide, slightly domed openwork and adorned on the top with a superb polychrome rectangular tourmaline retained with 4 claws. Period: 20th century Main material: pink gold, 750 thousandths, 18 carats, eagle's head hallmark. Total weight of the tourmaline: approximately 3.93 carats. Proportions: Height: approximately 14 mm, width: approximately 7.5 mm, thickness: approximately 7 mm, width of the ring at the base: approximately 3.3 mm. Net weight: about 6.2g. Old jewel - French work from the 1950s. Our opinion: This tourmaline with a very particular size and tones has a unique shade of pink, it is particularly well highlighted by this ornate and elegant setting. Sizing possible, contact us.
