

Old Cane, 19th Century Caricature

320 EUR

Period : 19th century

Condition : Très bon état

Material : Solid wood

Description

Old cane, Caricature. Very large and strong dugout folk art cane with an overall length of approximately 107cm long. It is sculpted in one piece with an amusing bust with a very long nose representing the head of a bird We find here the spirit of the caricatures of Jean Pierre Dantan or Honoré Daumier. France, 19th century.
