Description
-------------

SANTERNE Robert 1903-1983

French painter, landscape, genre scene.

He was a student of the Académie Julian and the Ecole des Beaux-Arts in the studio of Pierre Laurens and then followed the teaching of Maurice Denis and Desvallières.

He exhibited at the National Society of Fine Arts, at the Salon des Indépendants, at the Salon du Dessin as well as in many galleries.

He travels a lot, there are many views of Spain, Italy, often with beautiful perspectives
