Description

Edouard Degaine 1887-1967

The artist is part of the artists who participated in the revival of tapestry in Aubusson.

He began with classical studies, was influenced by cubism and then turned to the art of lacquer.

However, he did not stop drawing, he settled in the Creuse and is affiliated with the school of Crozant.

His works can be found in the museums of Guêret and Algiers.

The pastels can be separated
