Eight Coffee Cups In Paris Early Nineteenth

550 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

Description

Coffee service eight cups and saucers in Paris porcelain, late 18th or early 19th. Very fresh gilding; a small one mm chip on the edge of one of the cups. With the eight cups, I offer a cup and its saucer, of the same decoration but whose handle is slightly different as well as a cup with its saucer, carrying a crack of 2 cm. Height of the cups: 6 cm / Diameter of the cups 6 cm / Diameter of the saucer 12.2 cm
