Description

Framed Micromosaic: Venice"

"Large Micromosaic Representing Venice, The Doge's Palace"

Large framed micromosaic representing Venice and the Doge's Palace, a gondolier in the foreground on the lagoon.

Magnificent precision work, take a good look at the photos. Very good general condition and superb luminous colours.

Indeed very beautiful colors, it is very bright, and the size is already very large.

This is a rather remarkable Italian work from the 19th century, perhaps dating from the Grand
