### Description

This superb religious medal represents the Virgin Mary in fine engraving, signed by the famous painter and medalist of the beginning of the 20th century, GRÜN. This medal is a true masterpiece of sacred art, which will capture your attention with the finesse of its details. The medal has a ring and a bail of 7 mm in height and 3 mm in width respectively, which will allow you to easily hang it on a chain or a bracelet, and wear it elegantly. The eagle's head hallmarks and the master's signature attest to the quality and authenticity of this medal, which makes it a collector's item worthy of interest for lovers of religious art. This medal will be a perfect gift for any occasion, whether it's a baptism, confirmation, wedding or just to celebrate your faith. Add this medal to your collection now and
