

Large Urbino Vase, Italian Majolica XIXth Century.

700 EUR

Signature : Urbino

Period : 19th century

Condition : Bon état

Material : Earthenware

Height : 50 cms

Description

Southern Italy, in the style of Castelli, from the 19th century. Mythological decorations, snake handles. Very good condition of the entire vase except for the very discreet repair of a cooking crack which must have yielded, see photo.
