Description

Oil on canvas depicting a scene in which two characters dialogue. They are inserted into a landscape that acts as a backdrop. The landscape signifies the passage of time. In the background of the main scene, a city is erected on a cliff. The sky is still blue and dotted with clouds. In the distance, a sunset. The scene is framed by trees, a stream and various vegetation.

This painting is reminiscent of the mythological and religious works on a background of landscapes that Nicolas Poussin may have painted.

Provide cleaning of the pictorial surface to revive the colors.
