Description

Large Krater In The Center Of The Table 1850

Description:
White onyx, chiseled gilt bronze

This large basin consists of a rectangular stepped base, placed on four wide feet and decorated with a beadwork.
The pedestal in stylized leaf bulb carries the basin. The soberly shaped basin in the spirit of ancient craters is adorned with two rising handles also inspired by kantharos.
These complex handles bear large laurel wreaths and are topped with a pine cone or berry finial.
Two large leaves grab the handles under the basin.
