Description

Stylized Italian mirror made of metal gilded 1950s. The mirror is very high quality work and very heavy. The conical frame is surrounded by a cord-like decoration and then a circumferential frame which has a small decoration with notches on the visible side, the outer frame is smooth. Small volutes decorate the 4 corners and the upper edge. The object looks light-footed, playful and delicate. The gilding has a light patina on the outer e
