Description

Pair of gondola chairs in solid mahogany, with openwork and curved backrest, composed of a central element joining a concave crosspiece. The arched side uprights join the belt, plated on the front, and end with a sculpture of a rolled up acanthus leaf. The firm ball seats with straps and horsehair, with studded underside, in perfect condition, are covered with a beige fabric with diamond patterns. They are housed on a completely square belt. These seats rest on four saber legs. These gondola chairs will appeal for their solidity and their comfort, brought, in particular, by their enveloping shape. ********* Period: Early 20th century Excellent condition. Satin varnish finish. Additional photos available on request. Delivery possible in France and Europe, by our partner specialized in the transport
