

19th Century Pair Of Painted Half Moon Console Tables

3 500 EUR

Period : 19th century

Condition : Bon état

Material : Painted wood

Width : 122

Height : 71.5

Depth : 60

Description

A charming pair of early 19th century demi-lune console tables. English in origin and dating to the late Georgian period. Now painted in a geometric design with faux marble tops. Each table stands on 4 tapered legs. Fabulous used either as a pair or placed together to create a stunning circular center table. Both parts are in good solid condition. A pretty and useful pair of tables.
