Description

antique large settee, late 19th century. The settee is made of solid iron. The iron has a refined and elaborate decoration with curls and scrolls. The decoration is present on each side so it is possible to place the settee also in the center of the room to make the beautiful decoration of the back visible. Covered in refined fabric with floral decoration, it is in goods conditions.

Unfortunately the padding of the seat has wear defects, internal restoration is recommended.
