Description

Lovely statuette in gilded and patinated bronze on a marble base representing a young woman in the antique style seated on a low wall and holding her foot. The face of the young woman is fine and her hair very well chiselled. Old gilding with a deep warm patina. The marble base seems to be added but suits it very well. No apparent signature.

Period XIX th century. Delivery 18 euros in France, 35 euros in the EU and 60 euros rest of the world.
