mariastraat 15

Bruges 8000

Our painting is set between two of the greatest French landscape painters: Claude le Lorrain and Hubert Robert. As in their masterpieces it evokes the lost triumph of a fictitious Classical world.

Pierre Antoine (also known as Pierre II) Patel stepped in the footsteps of his father, who already specialised in this rigorously Classicist style,

called Atticism. Father nor son ever travelled to Rome: their attractive architectural views are purely imaginary.

All my paintings stand fully documented on my website :
