Sarreguemines Minton Coffee Service

800 EUR

Period : 19th century

Condition : Etat d'usage

Material : Porcelain

Description

Sublime porcelain coffee service from Sarreguemines model Minton, a magnificent polychrome enamel floral decoration. The service includes: - 12 coffee cups: Height: 5.3 cm Ø at the rim: 8.7 cm - 12 saucers Ø: 14 cm - 1 coffee maker Height approximately 13.5 cm at the lid Ø: approximately 12 cm A very nice service in good general condition, of course some wear and cracks due to its age (late 19th century) 5 cups are slightly more patinated, probably no longer used. Under several elements we find the number 149 and a .S. We recognize the work of the factory of very good quality and when we look closely we see the scales decoration in the black background decoration specific to the minton model. A very unusual model in this color that is sure to catch the eye.
