

Ptd Polychrome Pewter / Lead Doloris Bust Of Christ Of Sorrows, Early 17th Cty

2 700 EUR

Period : 17th century

Condition : Etat d'usage

Material : Alloy

Description

Haute Epoque

Exceptional sculpture, metal (lead/tin alloy) bust of Christ of Sorrows.

Fragmentary condition: cut at the level of the bust and without his arms (please check photos),

Good conservation of his original polychromy.

The sculpture translates in a strong and powerful way the expression of extreme pain, both physical and religious, of Christ, wearing his crown of thorns.
