2 700 EUR

Period: 17th century

Condition: Etat d'usage

Material: Alloy

Description

Haute Epoque

Exceptional sculpture, metal (lead/tin alloy) bust of Christ of Sorrows.

Fragmentary condition: cut at the level of the bust and without his arms (please check photos), Good conservation of his ariginal polychromy. The sculpture translates in a strong and powerful way the expression of extreme pain, both physical and religious, of Christ, wearing his crown of thorns.
