

## Daum Vase

500 EUR

Period : 20th century

Condition : Bon état

Material : Crystal

### Description

From the Daum house, magnificent crystal vase, decorated with 4 cut circular lines and a twisted cord in relief. Height: 25 cm Ø at the neck: 24.5 cm Weight: 6kg480 Beautiful condition for this vase from the 50s. Some micro scratches from use mainly under the base. Beautiful shine, thick and clear crystal. This vase will wonderfully welcome your large bouquets, its size also allows it to be diverted into a sublime champagne bucket. Its weight gives it very good stability. Signed at the Daum France base at La Croix de Lorraine.
