Description

Quick description

Astonishing and old plaster sculpture, reproduction of the Santissima Bambina around 1880.

The original model was in wax, couples having difficulties in having children came to pray to her. Beautifully crafted plaster with great finesse in the details, sulphide eyes.

Presence of a signature and a stamp in brass below.

Good general state of conservation with a nice patina, some gaps on the base.

Dimensions

35cm wide, 20cm high and 20cm deep.
