Description

Art Déco marble fireplace, ca.1925. 'The Rouring Twenties'. The style is characterized by color, geometric figures, stylized forms, modern artwork, designer lighting and furniture and handcrafted accessoires. Art Déco shows luxury in an artistic atmosphere. This period evokes that moment, when society was breaking with the past and racing towards the future. Photo's are taken before dismantling. Fireplace is cleaned now in my workshop. Delivery will be with original old marble floortiles, Gris d'Andenne and Noir de Mazy or Carrara, to make a frontfloor. Included the two original bronzes. Also available: Art Déco-tiles to finish the foyer, a good option if you go for a real open fire, but can be also used for surrounding the firebox.
