Description

Legras four-lobed oval planter from the 72,000 series known as "engraved landscapes" referenced "phoenicia planter". Rotating decoration engraved with acid with Vosges forest decoration on a satin background ending in orange to represent the sky. The same model is described and photographed in the excellent work "Legras Verrier" (Michel, Fouchet and Vitrat) pages 220 and 221 under number 294 and appears on the commercial plate of the series of engraved landscapes reproduced on page 165. Signed LEGRAS in cameo. Dimensions: Length: 22 cm Width: 12.5 cm Height: 8.3 cm Weight: 1 kg Very good condition. Small scratches from use. It has its small original bead all around, proof that it has not been ground. Many other objects to discover in my stand at the antique fairs in which
