Description

Romania : "Important carpet with floral decoration", hand-knotted wool around 1960, 174 X 440 cm, very good condition. Although difficult to photograph because of its somewhat "gallery" format, you will appreciate the richness of the colors enhanced by the black background which gives it a very decorative and warm Napoleon III "Madeleine Castaing" side. Do not hesitate to ask us for photos or additional information by email or telephone. Other photos and many other objects in our shops in Pau and Biarritz and on our website: galerielhoste.com.
