420 EUR

Period : 19th century

Condition : Parfait état

Material : Metal

Width : 13

Height : 35

Depth : base 12 par 12

Description

Pair of neo-classical busts from the 19th century and in the Louis XIV, Regency style representing two gentlemen pedestaled on bases in the shape of classic columns. Very good quality of realization for these two sculptures forming a pair in symmetry giving a certain decorative effect. Characters yet to be identified, politicians, writers, historical personalities. Note the very beautiful patina of the sculptures and the good quality contrast with the two bases.
