

Gilt Bronze Overmantel Sconces

280 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Diameter : 15cm

Height : 18cm/ 22cm avec abat-jour

Depth : 21cm

Description

Pair of Louis XV style gilt bronze sconces with foliated Rocaille decoration. Small sconces designed to be integrated on either side of a trumeau. Electrified, they are adorned with conical clamp lampshades enhanced with golden stripes. Finely chiseled 19th century work having retained a beautiful gilding
